## *Pampered Souls by J and S*

Planning your wedding will be one of the most stressful and emotional days you will experience. However, our Monu Professional skin care range with specialized treatments and your personal qualified beauticians, Jenny and Sarah are here to help.

Brides have a natural glow on the special day; we will go that little bit further and make that natural glow last under your make up! Your skin is as important as your wedding gown, beauty from head to toe.
